AMERICAN  HERITAGE  
SCHOOL

*Stepping Stones for Future Generations*

## What is the annual gala?

The “Stepping Stones for Future Generations” gala is an annual fundraising event benefiting the students and teachers at American Heritage School, located in American Fork, Utah. The event includes an elegant dinner and program, a silent auction and a live auction.

The gala will be held Friday, Nov. 16, 2018.

## Why support American Heritage?

As a 501(c)(3) charity, AHS is funded solely by organizations and private individuals who share our vision of educating hearts and minds of children in a Christ-centered, K-12 learning environment that builds faith, character and a love of freedom, learning and our fellowman. We invite you to support AHS if you believe expanding this unique educational experience to more students and families is worthwhile.

All funds raised at the gala are used for two purposes:

1. Student financial aid scholarships
  - In 2017-18: 106 students (out 863) received a total of \$370,000 in scholarships donated by individuals just like you. Those scholarships covered, on average, half of their tuition costs — a critical blessing to those students and their families.
2. Improving teacher benefits

The purpose of the gala is also to provide recognition to and exposure for businesses who invest in our school. You can contribute by:

1. Donating goods or services for the auctions
2. Offering cash contributions
3. Becoming a gala sponsor
4. Participating in the online bidding
5. Joining us at the event. Tickets start at \$75 and include dinner, entertainment and participation in the live auction.
6. Donate stock (or other appreciated securities)

*“When we forge a bond between the faithful home and the faithful school, we lay a firm foundation in the hearts and minds of the rising generation. These courageous, discerning and Christ-centered students then become vital beacons of light in a world that needs them more than ever.”*

— Grant Beckwith, Principal
