

# American Heritage Space Academy

***Do you have what it takes to solve the galaxy's biggest problems?***

Team up with your friends as the captain and crew of the Starship Voyager at Renaissance Academy in Lehi, UT. Each group will fly **six times** in an ongoing mission emphasizing leadership, teamwork, and science skills.

Squadrons will be categorized into age level:

- » 5th–6th grade
- » 7th–8th grade
- » 9th–12th grade

**Starts  
Jan. 24**

Minimum of 9 students to form a squadron, to a maximum of 11.

Mission times are currently scheduled for 3:30 - 6:00 p.m. Days for missions vary depending upon the schedule of those included on the teams/missions. The **six** team flight dates will be assigned after teams are formed. Possible dates are:

January 24, 31  
February 6, 18, 21, 25, 26, 28  
March 19, 20, 24, 27, 31  
April 21, 24  
May 1, 12, 15

Contact Mr. DeBirk at [adebirk@ahsmail.com](mailto:adebirk@ahsmail.com) with questions or preferences about days/times.

**\$60** per student

**Registration & payment made through Parent Portal Payment Links**

*The AHS Space Academy Program will be directed by Alex DeBirk, AHS Physics and Engineering instructor and former NASA Jet Propulsion Laboratory engineer. Mr. DeBirk is the original designer and an operator of simulators at both Renaissance Academy and the Christa McAuliffe Space Education Center, and he is excited to bring a space simulation program to American Heritage School.*
