Mission Statement

American Heritage School assists parents worldwide in developing the hearts, minds, and bodies of students to realize their divine potential by:

1. **BEING USEFUL IN THE HANDS OF THE LORD IN BUILDING THE KINGDOM OF GOD ON EARTH**;
2. **INCREASING FAITH IN AND KNOWLEDGE OF THE PLAN OF SALVATION**;
3. **DEVELOPING A LOVE, UNDERSTANDING AND APPRECIATION FOR AMERICA AND THE FOUNDING FATHERS**;
4. **DEVELOPING THE ACADEMIC KNOWLEDGE AND SKILLS NECESSARY TO BE ABLE TO MAKE SELF-EDUCATION A LIFE-LONG PURSUIT**;
5. **LEARNING TO REASON AND DISCERN BETWEEN RIGHT AND WRONG, TRUTH AND ERROR**;
6. **DEVELOPING CHARACTER AND SELF-GOVERNMENT OF MIND AND BODY**;
7. **CONDUCTING THEMSELVES IN ALL ASPECTS OF LIFE AS CHRISTIANS**.

All activities, teaching, governance, and administration are to be accomplished in light of the above objectives and in so far as possible in harmony with revealed principles of the restored gospel of Jesus Christ and laws of the land. All teachers, staff, administrators and trustees shall strive to be living examples of the values, principles, and skills taught at the school.

Seven Principles of Personal and Civil Liberty

**DIVINE IDENTITY AND PURPOSE**

God is our loving Heavenly Father. He has endowed each of His children with the gifts of life, the freedom to choose, and a divine identity and purpose. Civil liberty is founded on the truth that these are inalienable, God-given rights.

**LIBERTY THROUGH CHRISTIAN SELF-GOVERNMENT**

God has given us the freedom to choose liberty and eternal life through Jesus Christ, or captivity and death. As we seek to obey the teachings of the Lord Jesus Christ, and receive His grace, we will experience liberty. Civil liberty can exist only when there is widespread adherence to moral law by self-governed individuals.

**CHRISTLIKE CHARACTER**

Jesus Christ is the standard of character and the model of all virtues. Through His Atonement, we can become like Him. America’s heritage provides examples of men and women who were liberated by obedience to the teachings of Jesus Christ, and who sought freedom to develop and express Christian character. America became the seedbed of civil liberty because of inspired reliance upon Christian principles.

**CONSCIENCE, THE MOST SACRED OF ALL PROPERTY**

God has granted each of us stewardship over our individual souls, labor, and possessions. The most sacred stewardship God has given us is our conscience. We experience liberty as we follow our conscience, which is the light of Christ within us. In the civil realm, liberty depends upon protection of the rights of property, including the property of conscience.

**THE FAMILY, RELIGION, AND CIVIL GOVERNMENT**

Personal and civil liberty depend upon the protection and vitality of three realms: the family, religion and its expression, and civil government. Internal restraints within civil government, such as representation, separation of powers, and federalism, are necessary to temper the exercise of governmental power. These internal restraints protect individual accountability, the rights and responsibilities of families, and religion and its expression.

**CULTIVATING SELF-GOVERNMENT IN OTHERS**

Individuals who experience liberty through Christ seek to bless others with liberty. Christ’s followers are obligated to cultivate and protect the right of self-government for all mankind. Civil liberty is best protected when the decision-making authority of government resides at the level that is closest to those affected by its decisions.

**FULLNESS OF LIBERTY THROUGH UNITY WITH GOD AND MAN**

The ultimate purpose of God’s plan of happiness is to enable us to experience a fullness of liberty. This is possible only through unity with God, our families, and our fellowmen as we experience the atoning power of Jesus Christ. Unitmg as self-governed individuals enables and strengthens civil and personal liberty, and magnifies the potential of all.

American Heritage School gratefully acknowledges the Foundation for American Christian Education for publishing “The Seven Principles,” which inspired this document.
Many things will be new this year when you return, including new classrooms, new programs, and new faces. But the most important things at AHS haven’t changed. The Book of Mormon teaches us that when we learn by the influence of the Spirit we begin to “enlarge our souls” and “enlighten our understanding” (Alma 32:28). That has been a foundation and a hallmark of AHS teaching and learning every year, and it will continue to be so this year and forever. We trust that you will make many life-long friends here, that you will love your teachers and administrators, that you will enjoy the many opportunities you will have here, and that you will work hard to succeed in your coursework. But most of all, we hope that you will begin to see yourself and each other illuminated by the light of Christ. This year I’ll be spending some of my time at the Salt Lake City campus, but you will still see me here at the American Fork Campus most days, still teaching, still greeting at the door, and still telling you really awesome jokes. I know I say this every year, but it’s more true now than ever: This will be our best year yet!

Sincerely, Grant Beckwith—Head of School

WHAT KIND OF EDUCATION DO WE SEEK?

“Education is an important part of Heavenly Father’s plan to help you become more like Him.” – For the Strength of Youth

I am grateful to report that American Heritage’s mission mandate to help students “realize their divine potential” is consistent with the seemingly simple yet profound citation above. Every summer, the school’s faculty reviews, reassesses, and recommits ahead of a coming year that is intended to be a little better than any previous at helping American Heritage students “become more like Him.”

In considering that sentence from the For the Strength of Youth pamphlet, one word seems to stand out with particular significance: become. Noah Webster’s 1828 dictionary defines that term as the “pass[ing] from one state to another; to enter into some state or condition, by a change from another state or condition, or by assuming or receiving new properties or qualities, additional matter, or a new character…” A synonym of become—and a word with great currency at the school—is transform.

The school has long sought to deliver Transformational Scholarship, adopting that compound term as the middle of its three brand attributes: Christian Character, Transformational Scholarship, Responsible Liberty. American Heritage faculty are passionate about preparing environments, content, and experiences that facilitate the kind of transformation and becoming that our spirits naturally crave.

Are you ready? Are you willing? I invite you to make choices, big and small, today and throughout the school year, that will allow you to experience great joy and transformation this year. I hope this Welcome Guide provides helpful orientation to a coming school year that places Christ at the foundation of all teaching, learning, and becoming. Let’s make this your best year yet!

Sincerely, Chase Hale—Principal

HONOR CODE

**Why Have a Code of Conduct?**

King Benjamin famously taught that “the natural man is an enemy to God, and has been from the fall of Adam, and will be, forever and ever, unless he yields to the enticings of the Holy Spirit, and putteth off the natural man and becometh a saint through the atonement of Christ the Lord, and becometh as a child, submissive, meek, humble, patient, full of love, willing to submit to all things which the Lord seeth fit to inflict upon him, even as a child doth submit to his father” (Mosiah 3:19). Most of the tenets of the school’s honor code come from revelatory sources pertinent to proper conduct (e.g., the For the Strength of Youth standards). In cases where the school has authored its own tenets on topics unique to education (e.g., plagiarism and academic-integrity standards), the school strives to align its tenets with true principles.

**What if I Don’t Like a Certain Rule?**

It is perfectly normal to not agree with every rule (in fact, it would be abnormal for an individual to not dislike at least one rule within a broad code of conduct). It is impossible to structure a code of conduct that aligns perfectly with everyone’s ideals. Each individual’s life will be full of opportunities to join organizations (clubs, neighborhoods, businesses, cities, etc.) whose rules don’t match all of the individual’s preferences. The individual can still choose to join an organization, commit to follow all rules (not just those that are liked), and maintain integrity thereafter by keeping their earlier commitment. The responsible individual then works from a position of integrity to influence an organization and pursue desired change (maintaining integrity no matter the outcome). Students who find themselves in a position of not agreeing with one or more rules are afforded an opportunity to exercise the kind of commitment-keeping integrity that will serve them well throughout their life.

**My Understanding**

I understand that American Heritage School exists to provide an education in an atmosphere consistent with the ideals and principles of The Church of Jesus Christ of Latter-day Saints. I also understand that this atmosphere is preserved through my voluntary commitment to live in accordance with those ideals and principles “at all times and ... in all places” (Mosiah 18:9), and that this commitment is a specific condition of admission and employment at American Heritage School for all students, faculty and staff. Those individuals who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct, except church attendance.

**My Commitment**

As a representative of American Heritage School, I acknowledge and commit to maintain the standards set forth in the American Heritage School Honor Code. The school believes that properly wearing the uniform —

**Why Care about Dress and Grooming?**

- "Your dress and grooming send messages about you to others and influences the way you and others act."
- "When you are well groomed and modestly dressed, you invite the companionship of the Spirit and can exercise a good influence on those around you."
- "Avoid extremes in clothing, appearance, and hairstyle."
- "Always be neat and clean and avoid being sloppily or inappropriately casual in dress, grooming, and manners."

—For the Strength of Youth, "Dress and Grooming"

**Why Adopt a Uniform?**

I understand that

- All male students at AHS are expected to wear the boys’ uniform and abide by the dress and grooming standards set forth for boys;
- All female students are expected to wear the girls’ uniform and abide by the dress and grooming standards set forth for girls;
- Students wearing the proper uniform will be admitted to class; and
- The uniform standard will be in place until 3:10 p.m. each school day.

**My Understanding**

I understand that

- All female students are expected to wear the girls’ uniform and abide by the dress and grooming standards set forth for girls;
- Students wearing the proper uniform will be admitted to class; and
- The uniform standard will be in place until 3:10 p.m. each school day.

**My Commitment**

I will study the dress and grooming standards specific to my gender and grade level. Because not all inappropriate variations and deviations can be enumerated, I will strive to understand and abide by the spirit of the Dress and Grooming Standard in addition to the letter of the standard. Which clothing articles I wear, how I wear those articles, and how I groom myself will appropriately reinforce the American Heritage School ideals.

*Full details of the Dress and Grooming Standard can be found on the school’s website and in the Dress and Grooming section of the Welcome Guide.*
What is Stewardship?

Every day of my life, I am an occupant of various environments. When I come to American Heritage School, which kind of occupant am I? Which kind of occupant am I striving to be in every environment I occupy?

My Understanding

I understand that

- God has blessed the school’s benefactors with additional resources;
- Those benefactors have made a great sacrifice of their blessings to provide me with a beautiful, clean, uplifting environment in which to learn and grow;
- My treatment of that environment sends the strongest, clearest signal of my true feelings about this sacrifice;
- My tuition is less than half the true cost of my AHS experience because of this sacrifice; and
- I am not entitled to these gifts (rather, I am indebted because of them).

My Commitment

I will strive to think, feel, and act like a steward. I will demonstrate, daily, that I do not take for granted the sacrifices that make my AHS experience possible. Just like the occupants who preceded me, I too will gratefully receive and add to the heritage of American Heritage School, and I will say ‘thank you’ every day by preserving and preparing a better environment for the occupants who come after me.

Is Technology Good or Bad?

“[Technologies] are latent with such potent power, either for the blessing or the destruction of human beings, as to make man’s responsibility in controlling them the most gigantic ever placed in human hands.”

—Elder David A. Bednar, Aug. 19, 2014, BYU Campus Education Week

Key Principles

- Technology can serve as both a tool and a toy: At school, it should be used as a tool. Technology should only be engaged at school when it truly enhances learning processes.
- In-person connection involves more senses and is more focused than technology-facilitated connection; we should always prioritize in-person connection.
- Our use of technology should not crowd out—or condition us to be bored by—the quiet moments that, if used properly, can allow us to experience inspiration and revelation.

My Understanding

In addition to the principles listed above, I understand the following details to this standard:

1. Electronic devices (personal or school-owned) used during the school day may ONLY be used for school purposes, in public spaces, under the direction of a supervising adult.
2. Earbuds are not to be used at school, and cell phones are to remain out of sight and in the off position during the school day—a teacher or administrator may grant exceptions when it serves a learning purpose.
3. If a teacher ever directs the use of social media for school purposes, parents will receive advance notice.
4. Internet-based research must have a purpose that is known to the teacher.
5. Students should never mask or obscure their identity including using another’s login credentials.
6. Students are to show proper respect for school-owned equipment including not changing settings.
7. Students who access inappropriate websites, messages, or content—intentionally or unintentionally, on-campus or off-campus, by personal or school-owned devices—should immediately inform a trusted adult.
8. Inappropriate, offensive, or hurtful use of technology (including social media), even when done outside of school hours and off campus, can subject a student to school discipline and criminal liability.
9. Parents, teachers, and administrators will treat students with honor, love, and respect when they report any concerns they may have about their or others’ technology use.
10. Hiding technology usage from the view of others, especially during times and in places when technology is not to be used, causes others to suspect that commitments to integrity and the proper use of technology are being broken.

My Commitment

During school hours, I will utilize technology as a tool and in accordance with teacher instruction. Outside of school hours and when off campus, I will use technology in ways consistent with expectations of this standard and the For the Strength of Youth pamphlet. At all times and in all places, I will structure my technology usage to keep me and others safe and clean and maintain the dignity of all relationships.

CONSTRUCTION UPDATE

2022 IMPROVEMENTS

After opening the doors of its new facilities in the fall of 2018, AHS dedicated Phases 1A and 1B in the spring of 2019 in a touching ceremony held in Patriot Arena. Students, families, and faculty were joined by the Board of Trustees, donors, and community dignitaries to honor—in both word and music—the sacrifices of all those who laid the foundations for the school’s growth and success.

With the completion of the $30 million Phase 1A and 1B expansion, the school moved forward with a $10 million expansion to complete Phases 1C and 2 in the summer of 2021. Phase 1C, called the Patriot Auxiliary Court, or PAC, is an auxiliary gym that helps the school to meet the needs of curricular PE students as well as extracurricular programs as we continue to pursue our all-participation athletics model.

Phase 2 provides the following additional spaces: a high school cafeteria, a student commons area that can be used for multipurpose curricular space, 12 additional classrooms (including a large makerspace) and a spacecraft simulator and simulator control room. In the summer of 2022, three additional classrooms were added to Phase 2 and modifications were made to the physics room to accommodate for chemistry needs. In the Legacy Building, two rooms on the third floor were modified to make them more suitable for our science Project-Based Learning model, and security enhancements were made across the entire campus.

Our generous donors allow us to expand our campus without the use of a single dollar of tuition, continuing the pattern of consecrated donor sacrifice that has endured from the early years of our school’s history. These donations bless each and every American Heritage family because they allow us to operate debt-free, which keeps the price of tuition many multiples below the total cost of the experience provided.

Returning parents welcome!

— Parents will receive an introduction to the foundations upon which American Heritage is built—it’s mission, vision, values, and methodologies.
— Dress is business casual or casual
— No registration necessary for AHS employees and parents

Dear K–3 New Parents, welcome to American Heritage School! As part of our Foundations Training, all parents of new K–3 students are required to watch the Spalding training video (https://youtu.be/LDBmSn0Y-rI), presented by Linda Strong, prior to the New Parent Meeting Monday, August 1 from 8–11 a.m.

The purpose of this training is to assist parents as they learn and understand our English language through the teaching of the phonograms, spelling, and syllabication rules. Together you will be given a strong foundation of the Spalding Reading and Writing Curriculum. You will learn how to spell, write, and read using the Spalding methodology. As parents, it is beneficial for you to have this knowledge in order to assist your child with homework for this program.

You will also be required to purchase the Spalding cards from our library at a cost of $16. (The library is open this summer, Mon.–Thurs. 9 a.m.–1 p.m.) This is a required essential tool that will enable your child to be successful in the program.

There is also a Spalding App you can add to your phone (Phonograms by SEI). This app is $3.99.

Watch for more Foundations Training Information and the detailed agenda by e-mail and on the Veracross Parent Portal!

WE STRIVE TO

Inspire—nurture a love of elevated music, increase faith and patriotism through purposeful events and media.

Instruct—develop self-discipline, skills, and character through transformational teaching and professional-level experience and interaction.

Impact—awaken individuals, families and communities to the power music has to change hearts and minds while fulfilling the divine potential of our participants.

NEW ALBUM FOR 2022:

... ask and ye shall receive, that your joy may be full.” —John 16:24

We feel that the rising generation benefits from being given fewer sermons and more encouragement to ask for themselves. More encouragement to seek out the Divine on their own knees. More invitations to find out for themselves the answers to the fundamental questions of existence. This album invites all to seek the one true source of knowledge through music, and includes special guests David Archuleta, Nathan Pacheco, Levi Walker, Dallyn Vail Bayles, Jenny Oaks Baker, Caroline Campbell and more. These professionals join our youth in performing our signature mix of inspirational and classical music including "Bring Him Home" from Les Misérables, "My Little Prayer" by David Archuleta, music from Leonard Bernstein’s West Side Story, original compositions and immersive new hymn arrangements.

In the past year, Lyceum Youth Orchestras have released four albums, seven professional YouTube music videos, reached over 250,000 streams on Spotify, Apple Music, Amazon, etc, performed for over 13,000 live audience members, and reached more than half a million households worldwide. Whether you have a young musician who would like to join the fun, or are just looking for a way to bring more uplifting music into your home and family, please seek us out. This music is available everywhere your family is consuming media—all major audio streaming apps, YouTube, you can even purchase CD's from our Amazon store or just tell your smart speaker to, “Play Lyceum Philharmonic at American Heritage School.”

The Importance of Being Earnest is Oscar Wilde’s most frequently-performed work because it is HILARIOUS. John Worthing, a carefree young gentleman, is the inventor of a fictitious brother, “Earnest,” whose wicked ways afford John an excuse to leave his country home from time to time and journey to London, where he stays with his close friend and confidant, Algernon Moncrieff. Algernon has a cousin, Gwendolen Fairfax, with whom John is deeply in love. During his London sojourns, John, under the name Earnest, has won Gwendolen’s love, for she strongly desires to marry someone who has long been enamored of the mysterious, fascinating brother Ernest. Hilarity ensues.

THE LIBRARY

WELCOME! We are a K-12 outreach library that will be serving all three of the American Heritage campuses. The stacks in our library contain family-friendly books at all grade levels. We strive to provide quality literature that invites the Spirit and inspires a love for reading. We acquire library materials through donations as well as from the proceeds of our two semi-annual book fairs held in conjunction with Parent-Teacher Conferences. Donated items are carefully screened for content and age-appropriateness before being placed into circulation. Students in grades kindergarten through fifth grade have a scheduled weekly library time during which they are invited to check out books. All students and families may come to the library before school between 8:00 and 8:30 a.m. or after school from 3:10 – 4:30 p.m. to check out books or work on homework.

We have a second small Guided Reading library which services kindergarten through third grade students. Leveled reading books are exchanged by library staff under the direction of the classroom teacher for kindergarten and first grade students. Second and third graders attend a guided reading rotation once a week to choose their own take-home reader.

The library also serves as the textbook distribution center of the school. All textbooks are checked in and out through the library. While textbooks are issued in various conditions, efforts are made to repair and maintain books as needed. Students will note the condition in the front of the textbook at the beginning of the year. Books should be returned at the end of the year in the best condition possible. If you have concerns about the condition of the textbook that is issued to your child, please contact Mrs. McConkie in the library at mmcconkie@ahsmail.com. Fines will be assessed for excessive damage or lost textbooks. Yearbooks will be held until all school materials are returned or fines are paid.

Students and families may access the library through OPAC to view available books and place reserves. Library and textbooks may be checked out during the summer months as well.

Parents are welcome and invited to serve in the school library as part of the 30 hours of required service. We have opportunities to help preview donated materials, returning books to circulation, processing new acquisitions, as well as textbook checkout and return. If you are interested in serving in the library, please contact Mrs. McConkie.

We look forward to serving you!

PATRIOT BOOK GROUP

The AHS Reading Department offers a monthly afterschool book group for first through fifth-grade students. Students are grouped by grade or reading level. Book group is held the second Tuesday of each month (with the exception of February) from 3:15 – 4 p.m. on the following dates:

- September 13
- October 11
- November 8
- December 13
- January 10
- February 14
- March 14
- April 11
- May 9

The younger groups gather and read and discuss books and participate in activities relating to the book. Older groups are assigned books to read each month and then participate in book discussions and activities.

Parents are invited to volunteer to lead or assist in book group meetings. If you are interested in having your child participate or in helping with a group, please sign up using the QR code link.

PATRIOT READING CHALLENGE

Attention second through eighth-grade students! Come make reading your superpower! Join us for the 4th annual Patriot Reading Challenge!

Reading may start now! Use the QR code to sign up. (Students do not have to participate in Patriot Book Group to be part of the Reading Challenge.) We will have a kick-off meeting during lunch on August 23, where students who would like to participate will receive an information packet.

Participating students will have the opportunity to earn pins for each book read as well as an ice cream social, a book fair bonus, and a pizza party leading up to the ultimate reading challenge!

We are also looking for volunteers to help write questions, help with lunchtime incentives, as well as assisting in the actual challenge on November 8.

For more information about helping, please contact:
Melanie McConkie mmcconkie@ahsmail.com.

READING OPPORTUNITIES!
The two great commandments to love the Lord and love our neighbors are the two most important principles that we learn at American Heritage School. Students and employees are expected to live according to the standards and commitments set forth below and to keep these standards and commitments on campus and off campus "at all times…and in all places" (Mosiah 18:9). Those students and employees who are not members of The Church of Jesus Christ of Latter-day Saints* are also expected to maintain the same standards of conduct, except church attendance.

Parents, students, and employees, please review these standards together, then be prepared to sign and return a copy of the Honor Code Statement to your teacher or administrator by the end of the first week of school.

*A = ALWAYS. At all times, in all places, private and public. God is constant and unchanging. (Matt 28:20; Mosiah 18:3)

H = HONOR. We honor God by honoring all of his children, including in our thoughts, words, and actions (Exodus 20; John 5:23)

S = SERVE. We serve God by helping and lifting others around us. Service is love and honor exemplified. It is love and honor in action. (Mosiah 2:17; Matt 6:24)

A.H.S. = “ALWAYS HONOR & SERVE”

WE KEEP THE TWO GREAT COMMANDMENTS (MATTHEW 22:36-39) AS WE “ALWAYS HONOR AND SERVE.”

Matthew 22:36-39

A.H.S. = “ALWAYS HONOR & SERVE”

WE KEEP THE TWO GREAT COMMANDMENTS (MATTHEW 22:36-39) AS WE “ALWAYS HONOR AND SERVE.”

A = ALWAYS. At all times, in all places, private and public. God is constant and unchanging. (Matt 28:20; Mosiah 18:3)

H = HONOR. We honor God by honoring all of his children, including in our thoughts, words, and actions (Exodus 20; John 5:23)

S = SERVE. We serve God by helping and lifting others around us. Service is love and honor exemplified. It is love and honor in action. (Mosiah 2:17; Matt 6:24)

Away from School. With the two great commandments as our guide, it is expected that students and employees will uphold the following standards and expectations at all times, whether we are on campus or away from campus:

• Kindness and Respect. Treat every person with kindness and respect, including students of all ages, teachers, parents, administration, staff, custodians, and visitors and visiting teams to the school.

• Uplifting Language. Choose words that inspire and uplift. Words intended to hurt or offend should never be used and have no place in our school.

• Honesty. Be honest and truthful in all dealings.

• Humility and Integrity. Accept corrections respectfully from all who have stewardship for you. This includes (but is not limited to) your parents and every employee at the school, even if they aren’t your teacher. Listen to the Spirit when you receive correction and have the courage and integrity to obey promptly and consistently, even if you disagree with an expectation, and even while you may be working to understand or even change that expectation through appropriate channels.

• Positive Attitude. Display a positive, willing attitude. This includes making a good-faith effort to fulfill all Honor Code commitments and to devote oneself to learning and keeping all school policies. “The Lord requireth the heart and a willing mind.” (D&C 64:34)

• Stewardship. Care lovingly for our building. This includes eating only in designated areas (not in hallways or classrooms without permission) and treating doors, walls, and school equipment with care and respect. Seek ways to leave our classrooms, hallways, and bathrooms cleaner and better maintained than we found them. Bending a knee to pick up a scrap takes effort, but it is a sign of a grateful steward, especially if the scrap is not our own. “And he that is a faithful and wise steward shall inherit all things.” (D&C 78:22)

• School Uniform, Dress & Grooming. Wear the school uniform properly and keep the AHS dress and grooming standards diligently and willingly. Students in grades 7–12 who wear their uniform, clothing, or hair-styles in ways that contradict (or press the boundaries of) the School’s dress and grooming standards should be prepared for conversations with teachers and administrators, and if the problem persists, for potential dismissal or non-readmission to the school. Uniform, dress, and grooming conversations in grades K–6 will

“Master, which is the great commandment in the law? Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself.”

Matthew 22:36–39
AHS STANDARDS  HONOR CODE

CONTINUED

typically be with parents, not students. “Obedience to small things creates a spirit of obedience in all things, and thus invites the blessings of heaven” (Elder Kim B. Clark). Students should not write on themselves or others, or disfigure their bodies in any way. “Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? … The temple of God is holy, which temple ye are.” (1 Cor. 3:16–17)

- Cell Phones and Technology. Use cell phones, personal electronic devices, and computers only at times and in settings that are respectful and approved. For students, cell phones should be off and out of sight during normal school operating hours everywhere on campus from 8:30 a.m. to 3:10 p.m. (including during transition times, at lunch, and at recess), and during school-sponsored travel, unless otherwise approved by a teacher or administrator. Teachers are encouraged to take student cell phones that are used without permission and to deliver them to an administrator. Teachers may collect phones at the beginning of class from any students who have them on their person or close at hand. In such cases, students whose phones are off and not easily accessible, such as in backpacks, will not be required to surrender their phones. Students may ask for permission to contact parents or conduct other business via personal cell phone at any time. Do not hide the use of cell phones and personal devices from view of parents, teachers, and other responsible adults, even if corresponding with parents. Do not communicate anything via text or social media, on campus or off campus, that would be inappropriate, offensive, or hurtful. Report any inappropriate, hurtful, or obscene messages, or content—whether yours or someone else’s, accessed intentionally or unintentionally, on-campus or off-campus, by personal or school devices—to a parent, teacher, administrator, or other trusted adult.

- Displays of Affection. While at school or during school-sponsored activities, students should not engage in public or private displays of romantic physical affection, including kissing, cuddling, and hand-holding.

- Conduct Away from School. As indicated in the school’s mission statement, faculty, staff and students are expected to “conduct themselves in all aspects of life as Christians.” Thus, the School’s Honor Code is expected to be kept on and off campus. With limited exceptions (such as certain uniform policy and dress code requirements that apply only while at School), any personal activity or behavior away from School that contradicts the principles, policies and mission statement of the School may constitute grounds for dismissal from the School.

- Public Expression, Advocacy, and Free & Open Inquiry. Students and employees are encouraged to seek for truth, engage in free-and-open inquiry, and examine their own and differing perspectives. In speech and conduct, students and employees should not engage in expression or events that seriously and adversely affect the school’s mission or the Church. Examples would include an event or expression that contradicts or opposes, rather than analyzes or discusses, fundamental Church doctrine or policy; deliberately attacks or derides school employees, administrators, the Church, or the Church’s general leaders; or violates the school’s Honor Code.

In addition to the above standards, students and employees are also expected to abide by For the Strength of Youth standards (for students and employees ages 12 and older) and the My Gospel Standards (for students ages 11 and under), as set forth below. Where AHS-specific standards are different than For the Strength of Youth standards, students and employees are expected to keep AHS-specific standards during all school-sponsored activities, and For the Strength of Youth standards at all other times and places.

FOR THE STRENGTH OF YOUTH*

(for students and employees ages 12 and older. “For the Strength of Youth” is published by The Church of Jesus Christ of Latter-day Saints. Copies of the pamphlet should be brought to school by each 7–12 and are also available in the library.)

AGENCY AND ACCOUNTABILITY

- Heavenly Father has given me agency, which is the ability to choose right from wrong, and to act for myself.
- I am responsible for the choices that I make.
- I am free to choose my course of action, but I am not free to choose the consequences.
- True freedom comes from using my agency to choose obedience; loss of freedom comes from choosing disobedience.

DATING

- I understand that the primary purpose of dating is for a young man and a young woman to get to know each other better.
- I date only after I am sixteen.
- When I begin dating, I go with one or more additional couples, and I avoid frequent dates with the same person.
- I invite my parents to become acquainted with those I date.

- I will not disfigure myself with tattoos or body piercings (for young women, only one pair of earrings is acceptable).

LANGUAGE
- I use language to invite the Spirit, to uplift, to encourage, and to compliment others.
- I do not use profane, vulgar, or crude language or gestures.
- I do not tell jokes or stories about immoral actions.
- I never take the name of Deity in vain.

- I do not listen to music that uses vulgar or offensive language, or promotes evil practices.
- I will learn and sing the hymns.
- When listening to music, I am courteous to those around me by keeping the volume at a reasonable level, removing earphones when others are talking to me or want me to be a part of their activities.
- When dancing, I avoid full body contact with my partner. I also do not use positions or moves that are suggestive of sexual or violent behavior.
- I plan and attend dances where dress, grooming, lighting, lyrics, music, and entertainment contribute to a wholesome atmosphere where the Spirit of the Lord may be present.

PHYSICAL AND EMOTIONAL HEALTH

- I seek help and counsel from my parents and my bishop to do what is necessary to repent and receive forgiveness.

SABBATH DAY OBSERVANCE
- I understand that the Lord has commanded me to keep the Sabbath day holy.
- I will prepare during the week so that I can reserve Sunday for the many uplifting activities that are appropriate for the Sabbath day, and that show respect for the Lord and His holy day.

*American Heritage School is not sponsored by, endorsed by, or affiliated with The Church of Jesus Christ of Latter-day Saints (“the Church of Jesus Christ”) or any other denomination. Nevertheless, the school’s mission establishes and encourages an environment that is oriented toward the Church of Jesus Christ, where principles are taught in the light of the restored gospel, and where faith in Jesus Christ is felt and demonstrated by each child and adult at the School.
As a student at American Heritage School, I have the opportunity to build the Kingdom of God through the use of technology. “I’ll live in a world where technological advances occur at an astounding pace. ... Depending on how technology is used, these advances can be a blessing or a deterrent. Technology, when understood and used for righteous purposes, need not be a threat but rather an enhancement to spiritual communication.” (Elder Richard G. Scott, For Peace at Home, April 2013, General Conference)

To achieve my full potential and to help safeguard me against the power of the adversary, rules and guidelines have been put in place to help me govern my use of technology. They are as follows:

1. I agree to use personal electronic devices and school computers only for school purposes during the school day. Online gaming is not permitted on the school premises. (Parent Handbook section 17.8)
2. Cell phones are to remain in my backpack during the day, unless I have received permission directly from a teacher or an administrator to use it. (Parent Handbook section 17.2)
3. I agree that I will use cell phones, personal electronic devices, and school computers only in public areas and spaces where teachers, parents, and other adult supervisors are present, and only during times that are permitted for use of those devices. I further understand that it is my responsibility to ask the teacher or supervisor if I am unsure of a technology policy for a certain class, device, or time.
4. I agree that during the school day I will only visit websites for which I have been given permission, have been approved by my instructor, and have academic purpose and value. (Parent Handbook section 17.9)
5. I will be issued a class username and password at the beginning of the school year. I agree to use only my own class-assigned log-in on school computers, and never to use another person’s credentials, especially without their consent.
6. I agree to properly log off a school computer when I have finished using it.
7. I agree to leave pre-approved settings— including screen savers, wallpaper, monitor coloring, widgets, etc.—on school computers. I will change them only if it is part of an assigned learning opportunity during class instruction.
8. I will properly and carefully eject thumb drives from school computers.
9. I agree to use all school equipment (laptops, desktops, keyboards, keyboard covers, mice, processors, cables or power supplies) in a respectful and appropriate way; and will report any malfunction or damage that I notice promptly to my instructor or a member of the IT department. (These technologies) are latent with such potent power, either for the blessing or the destruction of human beings, as to make mankind’s responsibility for controlling them the most gigantic ever placed in human hands.” (Elder David A. Bednar, “To Sweep the Earth as With a Flood”, Aug. 19, 2014, BYU Campus Education Week)
10. I agree that when I use social network media for private purposes, including off campus, I will not communicate anything that would be inappropriate, offensive, or hurtful. (Honor Code) (Parent Handbook section 17.23)
11. I agree to report any inappropriate or obscene websites, messages, or content— whether accessed intentionally or unintentionally, on-campus or off-campus, by personal or school devices— to a parent, teacher, administrator, or other trusted adult. (Parent Handbook section 17.9 & 17.20).
12. I understand that risky technology behaviors like using someone else’s credentials or identity, or intentionally accessing or forwarding inappropriate or obscene websites, messages, or content, can lead to very serious consequences, including school discipline and potentially criminal consequences. I also understand that my parents and AHS teachers and staff will treat me with honor, love, and respect as I report any concerns that I may have about my or others’ technology use.
13. I understand that hiding my use of technology from the view of others, especially during times and in places that I should not be using that technology, causes others to suspect that I am breaking my Honor Code commitments regarding honesty and respect for school technology policies (Parent Handbook section 17.8).
14. I understand the following potential consequences if I choose not to follow the above guidelines:

First infraction: Loss of privileges at school for up to 5 school days

Second infraction: Loss of privileges at school for up to 10 school days

Third infraction: Loss of privileges at school for up to the remainder of the school year.

15. Homework may be printed at school in emergency situations. Cost of printing is ten cents per page— due at the time of printing.

STUDENTS WILL RECEIVE A SEPARATE PAPER COPY TO SIGN AND SUBMIT DURING THE FIRST WEEK OF SCHOOL
In accordance with Utah Immunization Statutes and Rules, for each of your children to attend school, we are required to have on file a certificate of immunization from a licensed physician or authorized representative of the state or local health department stating that your children have received immunizations against communicable diseases.

A child may be allowed to attend school “conditionally” if at least one dose of each required immunization has been completed and the child is currently on schedule to receive the remaining immunizations. COVID-19 vaccination is not required to attend school. Please provide the school with documentation of the scheduled dates for completion. The remaining immunizations must be completed on schedule for the child to remain in attendance.

An appropriate Utah Department of Health Exemption form must be completed for children who claim exemption to immunizations for medical, religious, or personal reasons.

If we do not have a current immunization record by August 16, 2022, your child will not be able to attend school until we have one on file.

Please bring all immunization documents to the Admissions Office, room 312. If you have any questions, please contact the Admissions Office at 801-642-0055, ext. 310, or admissions@ahsmail.com.

**MEDICAL AUTHORIZATION**

**REQUEST FOR GIVING MEDICATION AT SCHOOL**

Utah Law (53A-11-601) states the following:

2. The student’s physician, dentist, nurse practitioner, or physician assistant has provided a signed statement describing the method, amount, and time schedule for administration, and a statement that administration of medication by school employees during periods when the student is under the control of the school is medically necessary.

The form below is provided to help you obtain the required information from your Doctor, or other medical personnel as stated in the law. Without this completed form, medication cannot be given to your child by any school personnel.

Purpose and Implementation

We believe that properly wearing the uniform
• Displays unity, modesty, neatness, and dignity;
• Demonstrates respect for self, education, teachers, and fellow students;
• Facilitates focus on learning and service, rather than on clothing and accessories;
• Supports an appropriate distinction between the genders; and
• Reminds students of their commitment to live by the American Heritage Mission Statement.

All male students at AHS are expected to wear the boys’ uniform and abide by the dress and grooming standards set forth for boys, and all female students are expected to wear the girls’ uniform and abide by the dress and grooming standards set forth for girls.

Students wearing the proper uniform will be admitted to class. The uniform standard will be in place until 3:10 p.m. each school day. All non-uniform items, including but not limited to coats, jackets, sweatshirts, and hoodies, must be removed as soon as practical after entering the building, and immediately upon entering class. Personal coats or jackets may only be worn inside the building when a student is actively in the process of exiting to or entering from outside activities. Given that there is limited space for coats and jackets in the lunchroom, students who are planning to go outside during lunchtime recess may wear their non-uniform coats, jackets or sweatshirts during lunch in the lunchroom.

We trust that students and parents will govern themselves by the spirit of the policy. As with many items in the uniform policy, styles and options will vary by grade and will expand in variety and flexibility. Younger students should not look to older students to determine what is acceptable or approved. As students increase in their ability to understand principles and make and keep commitments, their freedom to choose also increases.

SCHOOL SUPPLIES
AHS has partnered with EPI, a nationwide school supply company, to make gathering school supplies easier for parents. While their sale price ended June 26, parents may still find it convenient to order all the needed supplies with just a few clicks, and pricing may be comparable to local stores. You may also simply use the below lists to purchase the supplies locally. (AHS does not benefit from our arrangement with EPI, the sole purpose of this partnership is to make shopping for supplies easier for our families.)

To use EPI for ordering school supplies, follow the below steps. For all K–8 supply lists, items in ALL CAPS can be purchased through EPI.

1. Go to www.educationalproducts.com/shoppacks
2. Enter the school ID, AME062 (3 letters/3 numbers)
3. Follow the directions to complete your order.
