

IMMUNIZATIONS

In accordance with Utah Immunization Statutes and Rules, for each of your children to attend school, we are required to have on file a certificate of immunization from a licensed physician or authorized representative of the state or local health department stating that your children have received immunizations against communicable diseases.

A child may be allowed to attend school “conditionally” if at least one dose of each required immunization has been completed and the child is currently on schedule to receive the remaining immunizations. COVID-19 vaccination is not required to attend school. Please provide the school with documentation of the scheduled dates for completion. The remaining immunizations must be completed on schedule for the child to remain in attendance.

An appropriate Utah Department of Health Exemption form must be completed for children who claim exemption to immunizations for medical, religious, or personal reasons.

If we do not have a current immunization record by August 16, 2022, your child will not be able to attend school until we have one on file. Please bring all immunization documents to the Admissions Office, room 312. If you have any questions, please contact the Admissions Office at 801-642-0055, ext. 310, or admissions@ahsmail.com.

REQUIRED IMMUNIZATIONS

All students are required to receive the following immunizations:

- 5 DTP, DTaP, DT, Td, or Tdap
- 4 Polio
- 2 MMR
- 3 Hepatitis B
- 2 Hepatitis A
- 2 Varicella (Chickenpox) – history of disease is acceptable; a parent must sign the verification statement on the school immunization record.

Students entering grades 7–12, in addition to the above, are required to receive the following immunizations:

- 1 additional Tdap (grades 7–12)
- 1 Meningococcal (grades 7–12)
