

CURRENTLY ACCEPTING APPLICATIONS FOR THE 2024–25 SCHOOL YEAR

DECEMBER 15, 2023: PRIORITY APPLICATION DEADLINE (GRADES K–11)

NEW AHS APPLICANTS:

All application materials must be submitted, and the family interview scheduled, by December 15, 2023, to be considered for the March 2024 New Student Assessment Day. Incoming kindergarten applicants that meet the priority deadline will have an earlier opportunity to assess in January.

Once all application materials have been received, the family interview has been completed, and the applicant has been assessed, the application is reviewed by the admission committee. This committee includes members of the AF Campus administrative faculty. Decision letters will be communicated through the Application Portal.

AHS FAMILIES WISHING TO ENROLL ADDITIONAL CHILDREN:

The American Fork Campus Admissions Office encourages all existing families who wish to enroll new students to [APPLY NOW](#). Looking ahead to our 2024-25 enrollment season, we expect a continued high demand in most of our grades, so if you have a child not currently enrolled at AHS and have plans to apply (e.g., kindergarten applicants), please [begin an application](#) soon! The priority application deadline is Dec. 15, when all application materials must be submitted, and the family interview scheduled. We will begin assessing students from existing AHS families (who meet the Dec. 15 deadline) in January (*along with any previously waitlisted students* from 2023–24*).

Transfer students (from the AHS—SLC Campus), waitlisted students from the previous year, children of continuing families, teachers, and staff are given special consideration in the admission process (pending open seats, intake assessment, etc.) but are not guaranteed enrollment.

While the above-mentioned priorities are guidelines by which admission candidates are reviewed, admission decisions are ultimately determined by prayerful counsel and discussion of the AHS Admissions Committee. The committee also evaluates factors beyond the applicant's control (e.g., class dynamics, gender balance, new-student v. continuing-student balance, etc.). Please reach out to the AF Campus admissions office with any questions (admissions@ahsmaail.com).

ENROLLMENT OPEN HOUSES:

Families wishing to visit the campus as they explore potential application may register for one of the following Open House dates:

- [Nov. 2, 2023](#)
- [Jan. 16, 2024](#)
- [Feb. 22, 2024](#)

**Families with students currently on the waitlist should have received an email explaining the timeline for their student(s).*
