

K-12 STUDENT UNIFORM POLICY

Purpose and Implementation	Dress Standards
<p>We believe that properly wearing the uniform</p> <ul style="list-style-type: none"> Displays unity, modesty, neatness, and dignity; Demonstrates respect for self, education, teachers, and fellow students; Facilitates focus on learning and service, rather than on clothing and accessories; Supports an appropriate distinction between the genders; and Reminds students of their commitment to live by the American Heritage Mission Statement. <p>All male students at AHS are expected to wear the boys' uniform and abide by the dress and grooming standards set forth for boys, and all female students are expected to wear the girls' uniform and abide by the dress and grooming standards set forth for girls.</p> <p>Students wearing the proper uniform will be allowed to enter the building and to attend class. The uniform standard will be in place from the time the student arrives on campus and until 3:10 p.m. each school day. All non-uniform items—including jackets, sweatshirts and non-uniform hoodies—may not be worn in hallways, classrooms, common areas or anywhere indoors during the school day. Non-uniform winter coats may be worn before or after school, during outdoor lunch or recess, or when passing between buildings if needed during cold weather but must be removed when indoors. Please see pages 5-6 for additional information on this policy during winter weather.</p> <p>We trust that students and parents will govern themselves by the spirit of the uniform policy. Many items and variations are not specifically prohibited but are outside the spirit of the policy and thus are not permitted.</p> <p>Definitions for terms used in the uniform policy:</p> <ul style="list-style-type: none"> Conservative: Restrained; avoiding showiness Modest: Excludes short skirts, tight clothing, and revealing attire Non-distracting: Not drawing attention to oneself, and professional Small: Fine, minute, diminutive, slender, thin, little, of small diameter Subtle: Fine, thin, delicate, slight, faint, refined, difficult to perceive 	<ul style="list-style-type: none"> Clothing should fit appropriately (neither tight nor baggy). Pants should be conservative in style and not tight or slim fitting. Alterations, other than hemming, are NOT permitted! Skirts, shifts, jumpers, and skorts on girls and young women should have a minimum length to allow for the skirt to naturally touch the kneecap. K-12 girls must wear snug-fitting, longer-length black or navy biker shorts daily under skirts, shifts, jumpers, and skorts (except when wearing opaque tights or leggings). Longer-length bike shorts must have a minimum inseam of 6" for grades 6-12 or 3" for grades K-5. Undershirts and camisoles must be plain white. Undershirt sleeves may not extend beyond the cuff of the uniform sleeve. Socks must be worn at all times. Alternatively, girls may wear tights. (See appropriate section for details). Uniform approved jackets and sweaters may not be worn around the waist. All personal jackets and sweatshirts are not allowed anywhere on campus during the school day. Hats and baseball caps may not be worn during school hours with the exception of a winter hat worn outside for warmth. Clothing should be clean and well-maintained (properly hemmed, unstained, free from holes and fading, etc.). Shirts must be tucked in at all times during school hours except during recess and when participating in outside athletic activities. <p>Special considerations will be determined, as needed, by the AHS Principals and the Uniform Committee members. Please submit your request via email.</p> <p>Kinder-5th grade to Charné Adams: cadams@ahsmail.com 6th-8th grade to Blaine Hunsaker: bhunsaker@ahsmail.com 9th-12th grade to Elizabeth Acuña: eacuna@ahsmail.com</p> <p>Primary uniform supplier for AHS: dennisuniform.com/schools/R00 Dennis Uniforms 3560 Main Street Salt Lake City, Utah 801-287-9200</p> <p>Additional uniform supplier for AHS: landsend.com</p> <p>Used uniforms: af.americanheritageschool.org/parent-organization/</p>
<ul style="list-style-type: none"> As with many items in the uniform policy, styles and options will vary by grade and will expand in variety and flexibility. Younger students should not look to older students to determine what is acceptable or approved. As students increase in their ability to understand principles and make and keep commitments, their freedom to choose also increases. Please refer to the AHS website for complete information about the uniform, including full-color photos, ordering information, FAQ's, shopping lists, and the current official uniform policy.

IMPORTANT NOTES

Pants and Shorts (Footnote a)

- Pants and shorts must be purchased from an approved supplier. They should be conservative in style, not tight or slim fitting, and should be clean and well-maintained (free from holes and fading, etc.). Pants must be properly hemmed to cover the ankle and can not be cuffed, rolled, pegged, or altered in any way other than hemming. Only boys, grades K-5, may wear shorts for their Mon-Thur uniform. Approved Suppliers: Dennis Uniform and Land's End Uniforms

Oxford Dress Shirts and Peter Pan Collar Blouses (Footnote b)

- Oxford dress shirts must be purchased from an approved supplier. They should be a heavier-weight, opaque, basket-weave fabric. Other requirements include: button down collar, not cream or off-white, no logos or embroidery, not tight or slim-fitting. Approved Suppliers: Dennis Uniform and Land's End Uniforms. Peter Pan Collar Blouses must be purchased from Dennis Uniform.

Girls' Shifts, Skorts, Jumpers and Skirts (Footnote c)

- Skirts, shifts, jumpers, and skorts must be purchased from an approved supplier and should have a minimum length to allow for the skirt to naturally touch the kneecap. The skirt and skort usually require the "long" or "extra long" length to be purchased or the hem to be let down to meet this requirement. Skirts are only approved for grades 6-12. All girl's uniforms require tights, longer-length bike shorts, or leggings underneath. Approved Suppliers: Dennis Uniform only for Elementary and Middle School. Dennis Uniform and Lands' End for High School.

Biker Shorts and Leggings (Footnote d)

- Girls, grades K-12, MUST wear snug-fitting, longer-length black or navy biker shorts daily (except when wearing tights or leggings). Biker shorts must have a minimum inseam of 6 inches for grades 6-12 and 3 inches for grades K-5 and may not extend below the hemline of the uniform. Ankle-length leggings with socks or footlets, are not approved for special events but may be worn in place of biker shorts on M-TH. They should be clean and well-maintained (free from holes and fading, etc.). The fabric should have a matte sheen, not shiny or metallic. May be purchased from any supplier.

Shoes and Socks (Footnote e)

- Principles: The shoe and sock guidelines for AHS Uniform Policy allow for principle-based preference for students. Principles that should be adhered to as students select their shoe and sock preferences include non-distracting, which is defined as not drawing attention to oneself, and professional. Students should wear shoes and socks consistent with a desire to show respect and appreciation for the privilege of being a student at AHS and the intent, style, and spirit of the Uniform Policy. Preferences should not reflect extreme fashion styles.
- Shoes: All shoes must be secure fitting, closed toe, closed heel, flat or low heeled, and conservative in style and appearance. No rollers, heelies (with or without rollers), lights, characters, or solid neon colors. Bold, distracting, or high-contrasting designs are not permitted. **No casual boots or slipper styles (i.e. moccasins, clogs, Uggs, Crocs, etc).** Laces must be worn in shoes intended to have laces.
- Boots: Boots are not permitted for special events. Girls grades K-12 and boys grades 6-12 may wear dress ankle boots on Fridays. Girls may wear below-the knee dress boots, in approved colors, on Mon-Thur year round and on Fridays during winter weather. Snow Boots or athletic cleats should not be worn in the building, but are acceptable outside.
- Socks: Socks must be worn at all times. Girls, grades K-12, may wear tights in place of socks. Socks or footlets must be worn when wearing ankle-length leggings or footless tights. They should be clean, well maintained, and free from holes. Colors and heights allowed are determined by grade level, gender, and day. See next page for more details. (Please note M.S. and H.S. have less restrictions.)
- P.E. Shoes: Uniform approved conservative athletic shoes may be worn for P.E. class as long as they have non-marking soles. Other athletic shoes, of all styles and colors, are permitted for P.E. class as long meet the following guidelines: They should be brought to and from school and worn only during P.E. class. They should also be suitable for indoor and outdoor use and have non-marking soles.

Middle School and High School Expanded Variety and Flexibility Agreement (Footnote f)

- Parents and students should be aware that whenever subjectivity and student preference is introduced into the AHS Uniform Policy, objectivity is displaced, and students will be subject to personal opinions by teachers and administrators as to whether their preferences adhere to uniform guidelines. If a parent or student wants to steer clear of any subjectivity, they can adopt any of the illustrated options. (see website for additional approved examples) If a student or parent wants to venture outside the objective zone, they are welcome to do so but are expected to select options that fall clearly within the guidelines outlined. Parents and students who choose to venture into the realm of subjectivity in preferences for shoes and socks will agree to cheerfully comply with requests to change their selection from teachers and/or administrators when those employees feel that the preferences fall outside of the guidelines listed.

During cold, wintry, and/or rainy weather, students may wear non-uniform winter coats when actively exiting or entering the buildings.

A coat is defined for purposes of this policy as an item of clothing that is made from a heavy-weight fabric designed to provide warmth during cold weather, repel snow or rain, is manufactured to be worn outside to protect against more extreme elements, and is not easily mistaken for a jacket. Students should not bring personal, non-uniform jackets, hoodies, sweaters, or sweatshirts and claim that they are using them in place of coats.
